Disco's, DJs & Karaoke Roadshows

We are the nation's biggest provider of presenters; we have many different personalities, and can cater for any event. To say that all DJ's are alike is like saying all people are alike, they are not and that is why our professional and experienced Disc Jockey's are carefully matched to your event. However they can also adapt their style where necessary.

Good parties do not just happen, they need guidance, the presenter has control of the pace and dictates the atmosphere with his music and microphone ability. Our DJ will be dressed to suit your function, black tie, casual or even fancy dress, and will contact you prior to your event to discuss your specific requirements.

All Disc Jockeys possess the state of the art sound and intelligent lighting equipment and play at an ear drum friendly level. Let our DJ's set the pace of your event.

Please contact our office for further details of our extensive range of DJ's.
